

GOLF GONE GOOFY!

Gopher Golf Instructions

Set Includes
2 Clubs
4 Gophers
4 Targets

Target Play

2-4 Players

1. Place targets around the yard
2. Players choose a starting spot 20-30 feet away from your first target.
3. Take turns hitting your "gopher" birdie towards the first target. Keep a count of how many hits it takes to reach the target.
4. When all the players have reached the first target, move on to target two. Keep score as you progress.
5. Move on to the third hole. After all the players have reached the final hole, tally your score. The player with the lowest total is the winner!

Distance Challenge

2 Players

1. Each player gets two "gopher" birdies
2. Players take turns hitting their "gopher" birdies as far as possible.
3. The farthest "gopher" birdie gets 2 points, the second farthest gets 1 point.
4. Play 5 rounds
5. The player with the highest score wins!

Speed Challenge

2 Players

1. Place targets around the yard
2. Players choose a starting spot 20-30 feet away from your first target.
3. On the count of three, each player tries to get their "gopher" birdie into the target first. First in the target is the winner of round one.
4. The winner drops their "gopher" anywhere outside the target. The runner-up begins play from inside the target. 1-2-3, go!
5. Repeat on the remaining two targets.
6. The first "gopher" birdie in the final target is the winner!
