

# A SPINNING, WATER BLASTING BONANZA!

## Wacky Water Range Play Instructions

Includes

- 1 - Target Stand
- 2 - Spinning Targets
- 2 - Water Blasters with hose attachment
- 1- storage bag

### Race to the Finish

2-4 Players

1. Place the spinning paddle target on the threaded shaft.
2. Rotate both targets all the way to the inside of the target stand. (see image 1)
3. Connect water hose to the attachment. (See image2) Turn the water on.
4. Players take aim.
5. On the count of three, both players blast water at their target.
6. The first player to "spin" their target off the Target stand is the winner.

assemble as shown

### Defend your Target

2 Players

1. Spin the targets all the way to the inside of the Target stand. (see image 1)
2. Connect the hose to the attachment. (See image2) Turn the water on.
3. The player on the left will "defend" the left side target and the player on the right will defend the right side target. Try to "spin" your opponents target off, before they do the same to yours!
4. The first player to "spin" their opponents target off the Target stand is the winner.
